OFFICE NOTE.

SUBJECT. Appointment of a midwife at Karur in the Sagar Taluk. temporarily for a year.

LAST REFERENCE Letter No. 5106 dated 28th April 1902

from the Senior Surgeon

The President of the Shimoga D.F. Board in the circle, in his letter No. 1902 dated 15th April 1902, requested the Senior Surgeon to locate a midwife tentatively for one year at Karur in the Sagar Taluk, for the benefit of the western inhabitants of that Taluk which is far away from the Taluk Head Quarters and is well nigh inaccessible during the rains.

M&CPB—250—18-3-02

He further stated that on the request from the people themselves, the D & Board resolved, at a meeting held on the 5th April 1902, to locate one there and that as the barbarous practices of the indigenous midwives made child birth a most trying and difficult period of a woman's life, the services of properly trained midwife there would be very useful.

By the Senior Surgeon requesting the Sanction of Government to the above proposal and stating that her pay may be met from the D & and Municipal budget

As Karwi is not a municipal town, the entire cost of the midwife is chargeable

chargeable to the District Funds of the Shimoga District.

All Talukes and Sub-Talukes are now provided with Midwives.

The present is the first application for a midwife in a place, which is neither the head quarters of a Taluk nor a Sub-Taluk

Submitted for orders as to whether sanction may be accorded to the proposal. as recommended by the Dist. Fund Board.

I am not sure that these Midwives who in Malnad get 20 Rs monthly do any adequate work. Get a statement showing work done by the

Midwives for a year in the three Talukas of Sagar, Nagar and Sorabhalli, showing ~~also~~ the No. & of Cases & No of places visited / with distance from hd Qrs / each month. Also ascertain if all the places are filled up or whether there are any vacancies in the Distt.

The above information having been called for in this office No. 19544 / 2-7-255-92 d/23rd June last, the Senior Surgeon with his No. G 118 / 1/6th Octr 1902 forwards correspondence ending with Shemoga Sep. Commrs docket-No. 548 / 118 of 7th Septr 1902 to his address in which it appears that there are midwives in all the talukas ~~of Talukas~~ in the Shemoga Distt.

The short work by Nagar Mudaliar may perhaps be excusable; but that of Puthalli is certainly inadequate. I am not sure if another should be sent to Hamir. Draft a letter to Senior S/M asking his opinion whether the pay may not after allowing a minimum of 10Rs be made to depend on No. of Cases? (I believe I raised this Q/M on before. Is anything settled?) JM 14/

The draft is unnecessary as I see the question has been recently settled.

A draft that the proposal will be sanctioned if the source

(from Dtc Hds) is pointed out may be submitted for approval to the Dewan through the 2nd Councillor.

Kaman Ito not a municipal town seems to be an important centre. The location of a trained midwife there at present for one year the only allowed & midwives in the Malaud may be sanctioned, the cost being met wholly from District funds. The Lemoi Lunghai reference to Malud Funds is not understood A report of work done should be submitted at the end of the year. The cost for the remaining few months of the current year should be met by re-appropriation while that for the next year should be included in the Budget for that year. I agree

Sir,

I have the honour to state that at a meeting of the District Fund Board of this circle held on the 5th of this month it was resolved to locate a mid-wife tentatively for one year at Kasur in the Sagar Taluq for the benefit of the western Mahal of that Taluq which is four away from the Taluq Head Quarter and is well nigh inaccessible during the rains. The request comes from the people themselves and it is a fact that — the barbarous practices of the indigenous midwives make child-birth a most trying and difficult period of a woman's life. I am confident that

that if the services of a properly trained midwife are available child-birth will be robbed of some of its present hardships.

I therefore request that you will be so good as to obtain the sanction of Government for the appointment of a midwife at Kasur temporarily for a period of one year.
